

UA Design-Build Team Earns First Place in the National DBIA Student Competition, 2022

UA civil, construction, and architectural engineering students Arsenio Figo, L-Rej Awit, Grant Hoffman, Helena Zikov, and Aria Mascall joined together to form Cardinal Design-Build for the [2022 National DBIA Student Competition](#). They prepared a statement of qualifications and a design proposal, and gave a presentation to a panel of industry judges in Las Vegas, NV in November 2022. Through the competition, students grow their understanding of design-build delivery. The [DBIA UA Chapter](#) is part of the construction emphasis in CAEM.
